

CRIMINAL WRIT PETITION NO. 422 OF 2002.

V/s.

Shri V.B.Konde-Deshmukh, APP for State.

P.C. :-

1. This petition takes exception to the externment order dated 12/11/2001 which was to operate against the petitioner for a period of two years requiring him to remove himself from the specified localities in terms of the said order. Record indicates that while entertaining this petition, no interim relief was granted in favour of the petitioner. With efflux of time, therefore, the externment order which is impugned in this petition has worked out. In this sense nothing survives for consideration in this petition. Hence this Petition is disposed of, leaving the questions raised therein open.
